

**Mask**

**Cut x 1 Material**

**1cm seam allowance included.**

Stick this line onto line A →

### **FOR THE TIES**

If you dont have a binding maker then:  
Cut straight strips for the ties 35cm x 4cm  
x 4 pieces, across the fabric.

If you do have a binding maker then:  
Cut x 1 tie across the fabric at 35cm wide  
so it will be 150cm long by 35cm wide and  
use the 18mm binder. Cut into 4 pieces after  
sewing

### **FOR ELASTIC**

Cut the top elastic 30cm x 1  
Cut the bottom elastic 26cm x 1  
Top of the mask is the straight edge and bottom  
is the curved edge.

# Please note:

Do **not use** this pattern, it is *not* to scale and for information purposes only.

This is what your pattern will look like after sticking the two pieces together. I have added dimensions for those who can't print.

## Mask

Cut x 1 Interlining (fusing, spunbond)

1cm seam allowance included.

(This is also the piece with pleat markings)
